

COMPANY PROFILE

2025 Corporate

About Us

With over a decade of dedicated service in the ICT sector, Omni Tech has established itself as a trusted technology partner for both public and private telecommunication companies across Yemen. Our commitment to excellence, integrity, and customer satisfaction is reflected in every project we undertake — regardless of its size or scope.

We strive to exceed expectations by delivering professional solutions that align with global standards, executed with precision, transparency, and an unwavering code of ethics.

OUR MISSION

To empower our clients with cutting-edge ICT infrastructure, software, and support services that enhance operational efficiency and drive sustainable growth.

OUR VISION

To be a leading ICT service provider in Yemen, recognized for innovation, service quality, and client-centric solutions.

OUR VALUES

- **Integrity** – Acting with honesty and fairness in all business dealings.
- **Respect** – Valuing clients, employees, and partners.
- **Innovation** – Embracing technology and creative solutions.
- **Excellence** – Delivering high-quality results every time.
- **Teamwork** – Collaborating to achieve shared goals.
- **Passion** – Approaching work with enthusiasm and dedication.
